

Neighbourhood Awards Certificate of Outstanding Achievement

awarded to

**Marsh Street Arches &
Garden Project, Barrow**

10th July 2009

David Haigh

Your judge had the following comments to make:-

A truly outstanding achievement with more developments planned for the future. This project is an excellent example of what can be achieved and is a great asset to the neighbourhood. The participation of many local groups and organisations including LHS, Furness College and various schools is highly commendable. The project has been very successful at raising funds and creating awareness.

The garden itself is very well laid out and constructed with features to appeal to all ages and wildlife. To compliment this, you have an excellent website.

I am sure you will go from strength to strength and I would love to come back next year and see the progress of the Arches and the new area of ground.
